A brighter future for people with serious allergies

May 2023

RE: School Fundraising for Anaphylaxis UK

Dear Sir/Madam,

Your child's school is taking part in Anaphylaxis UK's Bee Allergy Aware Campaign this summer term, and we would love for you to support their wonderful fundraising efforts!

Anaphylaxis UK, the only UK-wide charity operating solely for the growing numbers of people at risk of serious allergic reactions and anaphylaxis, is raising awareness and funds during the bee and wasp season.

Please sponsor the school and their pupils as they fundraise for our charity to help those living with serious allergies who turn to us for help. There is a sponsorship form enclosed to pass to your nearest and dearest for more support. Thank you!

Ask your school for more information about their fundraising plans, and if there's a JustGiving page to make online donations to help them reach their target for Anaphylaxis UK.

As we spend more time outdoors, bee and wasp stings become more prevalent and, for most people, they aren't dangerous. But for a small minority, an insect sting can lead to anaphylaxis – a life-threatening allergic reaction. The campaign, supported by an education grant from ALK, highlights how to recognise the symptoms of an allergic reaction and what to do in an emergency. For more information and to keep you and your family safe this summer, please visit [www.anaphylaxis.org.uk/bee-and-wasp-sting-allergies](http://www.anaphylaxis.org.uk/bee-and-wasp-sting-allergies)

Thank you for supporting your school's wonderful fundraising efforts for our Bee Allergy Aware Campaign! We're grateful for your kindness and friendship.

Yours sincerely,

Carla Stimson  
Fundraising Manager, Anaphylaxis UK
